Talent -- Megan McKinley, Max McKinley, TJ Meenan, Nora Wilson, Emily Luebkmann

Megan – Hey did you guys wash your hands? Cause we didn't hear any water running.

TJ – So!

Nora – so do you know how easy it is to pass the cold and flu virus and other gross bugs from your hands to your food?

Megan – Yeah, come on, I'll show you.

TJ – so what are we doing?

Megan – we're going to take the GLO GERM, put it on your hands. Rub it in and we're going to get the black light and show you how many germs there are, that are on your hands.

Megan – Rub it in really well.

Megan – Be sure it's all rubbed in.

Megan – Hey Em, will you grab the black light, and Nora will you turn off the lights please.

Megan – oh, that's so gross.

Emily – See if you wash your hands then ---

Megan – Max your hands are icky.

Megan – Ok, so now we're going to wash our hands, uh, some of us better than others.

Megan – Nora will you grab the lights. Thanks!

Megan – (singing) a, b, c, d, e, f, g, h, i, j, k, l, m, n, o, p, q, r, s, t, u, v, w, x, y and z. Now I know my ABC's, next time won't you sing with me.

Megan – OK, now let's look at our hands under the black light.

Emily – Oh guys!

Megan – are you really going to eat a cookie?

Emily – Oh TJ, look at all those germs.

Max – You'll get more on there TJ.

Emily – That's from your hands. Cause you didn't wash.

Megan – See you washed with only water. Max washed with soap and water, but not for very long. I did it the right way though and mine look best.

TJ – I look like I have flashlights for fingernails.

Max – look, what'd you do with the basketball TJ?

Megan – that's so gross, do you know how many kids have played with that?

Megan – Hey Nora, will you turn on the lights.

Emily – Getting sick from food is a serious health threat. But a lot of these illnesses can be prevented by proper hand washing techniques.

Megan – So remember during Food Safety Month and all year round, to wash your hands thoroughly before and after handling food. Because this is one time where a glowing personality is nothing to brag about.
